Out-of-network reimbursement is based on the Usual, Reasonable and Customary (UCR) allowances.

Any out-of-network service may be subject to a "balance bill" for any amount that the dentist's charge exceeds the allowable amount for an eligible service.

To review the complete list of covered services, limitations and exclusions, refer to SDC's Evidence of Coverage and the Schedule of Benefits associated with the plan number above.

Benefits listed as of 11/3/2023.

Frequently Asked Questions

Can I choose any dentist?

Yes. Your dental plan lets you choose any licensed dentist for services, but you may pay more for a service if you visit a dentist or specialist who does not participate in the SDC network. By staying in the network, you can pay less out of pocket for your dental care and avoid unexpected out-of-network balance billing, which is when an out-of-network dental provider bills for the difference between their fee for a service and our reimbursement amount.

What is an in-network dentist?

An in-network or participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members.

How do I find an in-network dentist?

SDC offers one of the largest dental networks in the United States. Find a participating dentist or specialist near you with our Find-A-Dentist search tool at SuperiorDental.com.

If my dentist is not a participating network provider, how can they join the network?

If your dentist or specialist does not currently participate in SDC's network, you can refer them to us for network recruiting by completing our Dentist Referral Form at SuperiorDental.com/find-a-dentist or calling 1-800-801-4915. You are also encouraged to ask your dentist to consider joining SDC's network.

Is there a waiting period before I can get dental services once I'm enrolled?

No. There are no waiting periods once you enroll in an SDC dental plan. You can use these services as soon as your coverage begins.

What tools and resources are available to me?

SDC makes it easy to manage your dental plan. Our online member portal, Superior Direct Connect, and our SDC mobile app offer convenient access to your ID card, summary of benefits, claim status, Explanation of Benefits (EOBs) and more. We also offer an Interactive Voice Response (IVR) telephone system available 24/7. Simply call 1-800-801-4915 to verify enrollment, check claim status or order new ID cards, or choose to speak to an SDC Member Services representative during business hours (Monday–Friday, 7:30am–5:00pm EST).

Can I find out what my out-of-pocket expenses will be before receiving a service?

Yes. A pre-determination of benefits will tell you what your out-of-pocket expenses are going to be and what your plan will cover for a specific treatment based on information provided by your dentist. You can ask your dentist to request a pre-determination from SDC for any treatment or service before it is performed. A pre-determination is suggested when a proposed treatment plan exceeds \$400 or includes periodontal treatment. Once your dentist submits a pre-determination form, it will be reviewed by our dental consultants (who are licensed dentists), estimated benefits will be determined, and a document with this information will be mailed to both you and your dentist. Please note that this benefit verification does not guarantee payment. The amount payable is subject to all the contract limitations effective at the time the services are rendered.
