The Certified Pool/Spa Course : A nationally recognized course that gives participants a better understanding of the operator's role in pool care and management by covering topics such as pool and spa chemistry, testing, treatment, filtration, maintenance, chemical feeding equipment, facility safety, and government requirements.

The class will be taught by CPO Instructor Chuck Kunsman. Chuck has 30 years in the aquatics field. He is the owner of NE Ohio Aquatics Consulting and Training LLC. Previously, Chuck was the Director of Operations at the University of Akron Student Recreation & Wellness Services.

Course Cost Includes: Instruction, book, and test. Lunch will be the responsibility of the attendees. Early registration is a must as the class materials must be ordered ahead of time. Book and class materials will be mailed to attendees prior to class. Payment must be received to be registered. Refunds will not be issued for cancellation.

Participants must bring a photo ID, pencil and battery operated calculator. Students must pass an open book written examination to obtain CPO certification. The CPO Certification is valid for five years.
