Dear Mr. Ferrero,

April 30, 2020

Words cannot begin to express the gratitude I and my staff have for the work done by the people in your office who made masks for all of us here. From Hope's call last week to Michelle delivering them today, we are so grateful. As you know, masks are hard to come by, hard to find where to buy and actually receive them and are needed to even to go into a store. Receiving these has meant so much to each of us here that transcends beyond now having what we need to appreciation of being thought of by members of your office.

Again, please thank all who participated in this project as our appreciation of their thoughts and efforts will never be forgotten.

Sincerely,

A handwritten signature in black ink, appearing to read "R.W. Devies", with a long horizontal flourish extending to the right.

Chief R.W. Devies
