

APPLAUSE

I'm sitting here with a wave of grief and sorrow of still missing my older brother, T.J. Span, as I saw his one-year memorial in the paper recently.

His family would like to take this opportunity to give special thanks to those who have helped or is helping our family: Stark County Commissioner Peter Ferguson, Stark County Prosecutor John Ferrero, Paula Smith, Shaunda Yager, Ohio Attorney General Mike DeWine, State Senator Scott Oelslager, Stark County Auditor Allan Harold and the Reed Funeral Home.
