Prosecutor Ferrero,

I want to personally thank you for supporting HB 359, the Safe at Home Initiative. On May 25, the Ohio General Assembly overwhelmingly approved the bill and sent it to Governor Kasich for his signature.

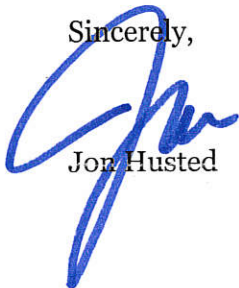

With this legislation, Ohio will join 38 other states in protecting the home addresses of victims of domestic violence when they register to vote. No American should have to choose between registering to vote and their personal safety.

Your support was an important part of passing this legislation. As a leader in your community, your legislators respect your opinion. As a Prosecutor, they know they can trust your judgment.

Ohio is a national leader in elections administration, and this will only help to enhance our system. We will continue our hard work to ensure a smooth and fair election this fall.

Again, thank you for your support of Safe at Home and for all of the work you do for your county and the people of Ohio.

Sincerely,

Jon Husted

Thank
you!
